

Match the attribute to the meaning:

Allah Exists and His Existence is without a beginning and without an ending

Allah is One without a partner to him. No one other than Allah deserves to be worshipped

The Existence of Allah does not end. He does not vanish and He does not die

The Existence of Allah is without a beginning

Allah does not need anything

Allah has Power over everything

Everything happens by the Will of Allah

Allah does not resemble the creations

Allah Hears without an ear or any other instrument

Allah Sees without a pupil or any other instrument

Allah is alive and his life is without soul, flesh or heart. He is alive and does not die.

Allah's Speech is without a tongue or lips. His speech is neither an Arabic language nor any other language and it does not resemble our speech.

Allah knows about all things before they happen without a teacher

Existence	Speech
Will	Knowledge

Life	Eternity
Hearing	Everlastingness
Oneness	Power
Sight	Non neediness
Non-Resemblance to the creations
